

Confirmation Meeting with a Priest

All candidates for reception of the Sacrament of Confirmation should be prepared to meet with a Cluster Priest to discuss any/all of the following:

Where are you at in life? Tell me about the following:

- School
- Home
- Work

How does God fit into your life?

What is the most important part of your relationship with Jesus?

Who inspires you most in your faith?

Why did you choose your Saint?

What do you think Confirmation is?

What are the graces you will receive from this Sacrament?

How have you grown as a Christian in the past year?

How do you plan to grow in your Catholic faith after high school and/or in college?

Have you begun to discern a potential vocation?

How do you serve God in your life?

What did you like best about the Confirmation preparation program?

What could we improve?

What question do you have?
